

Enrolment Eligibility and Marine Licence In-Eligibility

To be eligible for enrolment in the Marine Licence Training Course students must be:

1. Age - over 12 years of age
2. Evidence of Identity - must have original EOI documents with them on enrolment
3. Evidence of residence - an EOI document has the same address as recorded on enrolment form

Pursuant to regulation 30 of the *Marine Safety Regulations 2012* (Vic) the following persons are **not** eligible to apply for a marine licence:

- A person who is disqualified from obtaining a marine licence, during the period of that disqualification
- A person who is the holder of a marine licence that has been suspended, during the period of that suspension
- A person who is disqualified from obtaining a licence or other authority to be the master of or to operate a recreational vessel under
 - (i) the law of another State or Territory, or
 - (ii) the law of another country, in circumstances which, if they occurred in Victoria, would have resulted in the person being disqualified from obtaining a marine licence in Victoria
- A person who is the holder of a licence or other authority to operate a recreational vessel issued by another State or Territory that has been suspended, during the period of that suspension
- Applicants should note that they will be required to meet the health requirements for operating a car, motorcycle or boat and this may include further testing where appropriate.
